Roads Policing

Reference	Discussion	Action
02.09/04/2024	<p>A set of questions had been prepared by the OPCC around Roads Policing and had been circulated prior to the meeting. The force's responses were considered, with follow up questions from the PCC and other attendees.</p> <p>OPU Performance</p> <p>The PCC questioned, in relation to the OPU Performance graph provided, if the force are confident in the units productivity and performance? SB confirmed that the force are confident in their performance and highlighted that the data provided by the analyst team is for OPU only, so it does not include whole force data/performance.</p> <p>SB advised that the team consists of 28 officers, 4 Sergeants and can be supplemented by Firearms Officers. The PCC questioned if the force have the correct amount of officers in the department? BS confirmed that the force have an adequate roads policing team to do what is required.</p> <p>The PCC also questioned, in relation to the resource available, should there be more actual stretch performance targets be set? SB advised that there is a danger to setting targets as not all will be met e.g not all motorists stopped receive a ticket.</p> <p>ANPR</p> <p>A brief discussion took place in relation to ANPR. SB explained that when cars with markers pass through a camera it is flagged to the OCC, when is then risk assessed and responded to appropriately.</p> <p>Operation Revoke</p> <p>The PCC questioned if Op Revoke is still ongoing? BS confirmed the operation is still active and force are following the process put in place to notify the DVLA of road users who have medial or substance misuse issues, so their license can be revoked. BS</p>	

	<p>stated that this operation could be reviewed in order to get a more recent update.</p> <p>Action: BS to provide recent statistics in relation to Op Revoke.</p> <p>Policing Roads</p> <p>A discussion took place in relation to the force's commitment to policing roads together with strategic and local partners to reduce KSI's by 50% by 2030. The PCC questioned what evidence could be provided to highlight the reducing KSIs per the target? BS advised that the force are working with groups where tasking is allocated and have a good governance structure in place. BS highlighted that the force have an effective working partnership and have dedicated Specials to OPU to support the national calendar.</p> <p>The PCC also questioned if the x2 double crew cars are effectively covering the entire county? SB advised that having double crew cars meets the strategic threat and risk assessment thresholds and that there are 1 Seargent and 7 PC's on shift at any one time.</p> <p>Empower Development</p> <p>A discussion took place around the development of roads policing during the Empower model. The PCC questioned if the force are happy with the investment and development of the unit and if there were plans to further expand? CC confirmed that she is satisfied with the unit and has no plans to change it.</p> <p>The PCC questioned what areas require more investment or have been identified as an area of weakness within the OPU? SB advised that the unit is working within the parameters of the budget but ensuring that all officers are being trained, with</p>	<p>BS</p>

	<p>some training being brought in house as L&D are always able to support amount of training required.</p> <p>DPCC highlighted the duties and workloads of an FLO's, and questioned if they are supported regarding their mental wellbeing? SB explained that an FLO is a voluntary role which is overseen by a Seargent who monitors their health and wellbeing, ensuring that their workload is manageable. SB stated that often an FLO will only have one family at any time.</p> <p>Abnormal Loads</p> <p>The PCC questioned how many officers will be abstracted to cover the abnormal loads? SB confirmed that there are x2 officers and x1 FLO that are permanently abstracted as there are a high number of loads. SB explained that there is a three month rotation for officers if they want to come off/on to cover the loads.</p> <p>Safer Speeds</p> <p>A brief discussion took place in relation to speeding on roads. The PCC questioned if the speed enforcement vans had arrived? SB advised that the vans have not yet arrived and they should arrive w/c 22nd April but they also still working way through recruitment of drivers.</p> <p>PCC thanked SB for attending the meeting and providing responses to follow up questions.</p>
