Dear Matt,

Subject: Review of Policing Activities related to hunting in Warwickshire

Thank you for your letter of 7 November 2024. I am aware of your concerns relating to that of hunting in Warwickshire and acknowledge the questions you have specifically raised regarding the independent review that is currently taking place.

To date, you have repeatedly declined to meet with me to discuss in person your concerns on an array of issues and continue to send written correspondence. This is disappointing, as both our roles are to service and represent the residents of Warwickshire.

I would always welcome an opportunity to discuss policing and crime in Warwick and Leamington.

Please be advised my office will respond to the questions you have asked under the Freedom of Information Act 2000.

Yours sincerely

Philip Seccombe TD
Police and Crime Commissioner
